# DIGITAL MICHIGAN NEWSPAPERS - HISTORICAL SOCIETY OF CASEVILLE

The Historical Society of Caseville has completed the Newspaper Digitization Project with the assistance of the *Clarke Historical Library at Central Michigan University*. We have digitized newspapers from 1874 to 1960. These newspapers include the following: Caseville Advertiser, Caseville Critic, Caseville Record and Caseville Tom Thumb News. This project took many volunteer hours to complete, and we are excited to share this news with the community, the state of Michigan, and others who may be interested in researching Caseville news from those years.
